# ANY QUESTIONS? Mutation

FISHCD 003

Release Date: 02/29/00

Street Date: 06/05/00

MUTATION is the latest offering from one of America's premier electronic acts, ANY QUESTIONS?. Formed in 1989, ANY QUESTIONS? is comprised of Ttam Troll (Electronics + Electronic Percussion + Voice), MC2P4 (Electronics + Electronic Percussion) and LTJTHC (Electronic Percussion).

"Any Questions? newest release is as chilling and violent as the title suggests. It's good to hear music that takes advantage of the great aggro possibility of pure electronics. Their music would be great for a cyber cafe on the seedy underbelly of some futuristic space colony."

- The Melodia

"These tracks are so infectious, I find myself reaching for this disc quite often."

- Outburn

"Any Questions? are into death, doom, flesh on fire, and horror. Creative contributors to the industrial culture so check 'em out."

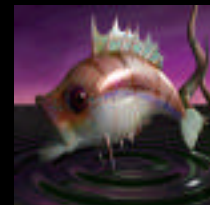

- Industrial Nation

"Any Questions? is one of the few remaining American acts still producing 100% electronics and nothing else!"

- Side-Line Elektrozine
