

IMBUED VAGARY

electronique

IMBUED VAGARY
is comprised of Tram Troll and MC2P4
(of ANY QUESTIONS?). This minimalist project
showcases the simpler and less harsh side
behind one of today's most controversial
industrial bands.

Electronique, is a five-song journey through a
tapestry of synthesizers and electronic rhythms.

IMBUED VAGARY – Electronique
(FISHCD 004)
is now available through Amazon.com and is
distributed in the US by Metropolis Records.
